To: Chapter/Association Presidents:

Here is an update on the California State Assembly resolution declaring February as Grand Jury Awareness month.

The resolution will be announced in a ceremony at the Capitol on February 4. Attached is the resolution. You may be able to use this State Assembly resolution in your efforts to obtain similar resolutions or to promote the state resolution with your own local media in order to recruit grand jury applicants for 2016-17.

If you are available to attend the ceremony, please let Rich Knowles, mrc@cgja.org, know and he will provide the details when we know them.

Jim Ragan
