

*Greetings!*

Hello Jerry ,

We are contacting you today as the California Grand Jurors Association trainers who worked with you last year at a CGJA grand jury training seminar or workshop. We hope that your grand jury service thus far has been a meaningful and satisfying experience for you. You can be certain that your hard work really will make a difference in your community.

We also hope that as you look back on your term, you conclude that CGJA's training got you off to a good start and made your job easier. You can help ensure that future grand jurors will receive the same high quality training and on-going support by becoming a member of CGJA. Your membership will help us - an all-volunteer nonprofit association - to continue to expand and improve our seminars, workshops, and training materials.

The CGJA's Membership Relations Committee will be contacting you soon about joining our organization, or you can learn more by going to our website at [www.cgja.org/membership](http://www.cgja.org/membership).

Best wishes as you complete the remainder of your term, and as always, we are here to assist you and your grand jury in any way we can, so never hesitate to contact us at [cjatraining@cgja.org](mailto:cjatraining@cgja.org).

Sincerely,

Lew Avera
