7 years ago, with the help of 2 neighboring CGJA members, I worked with 8 other newly “graduated” jurors to establish the Alameda Chapter of the CGJA. I have been a member ever since. I believe in working together to strengthen our bonds and create a larger impact. Over the years I have been president and secretary of our local chapter. I have also been a long term member of Membership and Chapter Relations Committee, and the Annual Conference Committee.

I would like to continue working with committees and the Board of Directors to expand the work of the Civil Grand Jury in California.

My past and current experiences provide me with both macro and micro knowledge of grand jury work that I am confident will be an asset to the California Grand Jurors’ Association. Born in Detroit, I received my BA in Theatre from Michigan State University in 1973 and my MBA from Pepperdine University in 1983. Career travels led from Michigan to Atlanta to New York City and finally to Los Angeles in 1978, where I spent 25+ years in Theatrical Features Entertainment Marketing at Warner Bros. in both Domestic and International. While in LA I served on a criminal and then a civil jury case.

I made a second career of teaching Drama at Taft High school before moving full time to the Eastern Sierra in 2011. While in So. Cal. I served on the Board of the Lonny Chapman Group Repertory Theatre and in various roles on the Valley Beth Shalom synagogue board, including revitalizing and managing the monthly newsletter while working and raising her son with her husband.

After moving to Mammoth Lakes, I was hired as the Marketing Director, then the Development Director of the Mammoth Lakes Foundation for 5 years before retiring. During that time, I served on a criminal grand jury case. I have a great deal of non-profit board experience, currently serving on my HOA Board, on the Mammoth Lakes Fire Safe Council as Secretary, and as President of the Eastern Sierra Arts Alliance. I served on the Mono County Grand Jury 2017-2018, returned as Foreperson in 2018-2019 and 2020-2021, joining the CGJA Training Team in 2021 and shortly after became Chairperson of the CGJA Public Relations Committee.

I’ve been grateful to the entire Board of Directors of CGJA for their support and guidance these past two years. As one of the Directors for the Central Region and during my term as Chair of Membership & Chapter Relations, it has been a journey of discovery of interesting ideas, making new and valued friends, and continuing to make a difference statewide as well as in my local community. As a representative of the Central Region, I’ve managed to visit a number of other counties, viewing best practices, and enjoying the camaraderie of like-minded individuals.

My background in the grand jury system began with the 2018-2019 and 2019-2020 Calaveras County Grand Jury. I was one of the original group that formed the Mother Lode Chapter – CGJA, the first chapter to encompass three counties – Amador, Calaveras, and Tuolumne. I am also the treasurer of our chapter. Currently, I am foreperson of the 2022-2023 Calaveras County Grand Jury. This latest venture is probably the hardest I’ve worked in my entire life!

I have the greatest respect for every single member (and introductory member!) of CGJA. It has been my honor to serve this group of individuals bonded together for a common purpose. I would sincerely like the opportunity to continue serving CGJA and the Central Region as Director for the new term.
