## 1.00 General Provisions

### 1.10 Organization of the Association; Tax Exemption

The California Grand Jurors' Association (CGJA) is a nonprofit corporation governed according to its Articles of Incorporation, the CGJA Bylaws, and the *California Nonprofit Public Benefit Corporation Law*. CGJA shall take all steps necessary to retain the association's status as tax-exempt under the provisions of Internal Revenue Code Section 501(c)(3) and to permit donors to deduct their dues and donations to the extent allowed by the provisions of IRC Section 170(c)(2).

### 1.20 Governance

The basic rules for governance and operation of the association are found in the Articles of Incorporation and the CGJA Bylaws, including methods for nominating and electing members of the board of directors and officers, the duties of directors and officers, and the means for maintaining the association's tax-exempt status. The Articles of Incorporation also state the primary objectives of the association. Additional rules and guidance are provided in this CGJA Policy Manual ("the policies") and the adopted procedures for the association's committees.

### 1.30 Principal Office

The location of the association's principal office is 1071 L Street, #320, Sacramento, California 95814. The board may change the location of the principal office at any time.

### 1.40 CGJA Logo

- A. The CGJA logo (below) is a distinguishing mark identifying the association. It shall be used in all major CGJA publications, including the CGJA website. It must be used in exactly this format and may not be modified in any way.
- B. Related organizations such as committees and chapters are encouraged to use this logo to identify their activity with CGJA, but must not modify the logo or add anything to it. An affiliation, such as the name of a chapter, may be identified by a text box below the logo.
- C. A jpg file of the logo may be obtained from the Public Relations Committee.
- D. Any question about use of the logo should be directed to the chair of the Public Relations Committee, who will refer any proposed exception to policy to the board of directors for approval.

### 1.50 Conflicts between Policies and Articles of Incorporation or Bylaws

The intent of this policy manual is not to repeat matters covered by the Articles of Incorporation and bylaws, but rather to set forth the association's adopted rules for its operations. Nothing in the policy manual is intended to conflict with the Articles of Incorporation or the bylaws. If such a conflict is found to occur, the provisions of the articles and bylaws shall prevail.

**1.60 Amendments to Policies**

Additions or revisions to this policy manual may be proposed in writing to the Bylaws and Policy Review Committee (BPRC), which shall review and comment on the proposed changes and may submit them to the board of directors for approval. Alternatively, any director may submit proposed policy additions or revisions to the board as an action item, which shall be included in the agenda packet for the next business meeting of the board. The board may refer the item to BPRC or, if the proposal receives affirmative votes from a majority of the directors present, the addition or revision shall become part of these policies and shall then take effect as provided in the adopting board action.

## 2.00 CGJA Members

### 2.10 CGJA Membership

- A. Membership shall be encouraged from every county throughout the state. Membership is open to current and former members of regular grand juries in good standing and other interested parties, as described in Section 2.20.
- B. Other than as authorized by a vote of the board, no member shall claim association with the California Grand Jurors' Association for commercial purposes.
- C. Members can be expelled or their membership can be suspended as provided in Article 4, Section 4(b) of the CGJA Bylaws.

### 2.20 Classes of Membership

As provided in Article 4 of the CGJA Bylaws, the classes of membership are:

- A. Voting member. A voting member is an individual who is serving or has served on a regular grand jury as defined in Penal Code Sections 888 and 901 or who has served as a district attorney, county counsel, or judge as a legal advisor to a grand jury per California Penal Code Section 934(a); and who has joined the association and maintained his or her membership. Voting members must pay dues. They have all the rights and privileges of the membership including the right to vote on:
  - 1. The election of directors;
  - 2. Amendments to the bylaws that materially and adversely affect the rights of members or member voting rights;
  - 3. Change in the number of directors or the length of directors' terms;
  - 4. Amendments to the Articles of Incorporation;
  - 5. The disposition of all or substantially all of the Association's assets;
  - 6. Any merger and its principal terms; and
  - 7. Such other matters as set forth in the *California Nonprofit Public Benefit Corporation Law*.
- B. Introductory member. An introductory member (IM) is an individual who has been offered and accepted a complimentary membership valid during the individual's term of regular grand jury service, who has complied with the requirements for such complimentary membership as set forth by the board of directors, and who is currently serving on an impaneled regular grand jury in any of the 58 counties or has been selected as an alternate. A current voting member of CGJA is not eligible for IM status. An IM has no voting rights on CGJA matters.
- C. Associate member. Any person interested in the affairs of CGJA or the California grand jury system shall be eligible for associate membership if a voting member in good standing recommends that the person be granted associate membership; *no further recommendation is necessary for the renewal of an associate membership*. Associate members must pay dues. They have no vote in association affairs and may not accredit their relationship with the association.

- D. Honorary member. Persons or business organizations recognized for substantial and continual achievement in support of the California grand jury system may be approved by the board for honorary membership. An honorary member shall receive all the benefits of membership and pay no dues, but is not eligible to vote on association matters. Such appointments may be, but need not be, for life.
- E. Member in good standing. As provided in the CGJA Bylaws in Article 5, Section 4, a member of any class who has paid any required dues, fees, and assessments and who is not ineligible for membership shall be considered a member in good standing.
- F. Ineligibility. Individuals who have been discharged or dismissed for cause from a regular grand jury or individuals who have been members of a regular grand jury that has been dismissed or dissolved for cause are ineligible for membership in the association or its chapters.
- G. Changes to classes of membership. The board of directors may add or delete classes of membership by amending the bylaws, except that it may not delete voting membership without member approval.

### **2.30 Membership Dues**

- A. Dues shall be established by the board of directors and are subject to change without notice.
- B. As of 2023, and until modified by the board, dues are:
  - 1. Voting member: \$30 per year or prorated as needed
  - 2. Associate member: \$30 per year or prorated as needed
  - 3. Life member: \$500
- C. A member is in good standing only when dues are paid (if dues are required by Section 2.20). Dues are considered paid when the treasurer is in receipt of an acceptable financial instrument for payment. Annual dues shall be for twelve months and are due on the anniversary of membership.
- D. Those members whose dues are not paid within 30 days of the due date shall be notified that their dues are in arrears and that their membership will expire.
- E. Unless dues are paid before a date established by the Nominations-Elections Committee in relation to the deadline for sending out ballots, the member will not receive a ballot for the election of directors.

### **2.40 Distribution of Membership Lists**

- A. CGJA's membership list, as described below in paragraph C, may be provided by the secretary to a CGJA member in good standing upon written request in accordance with the provisions of the *California Nonprofit Public Benefit Corporation Law* and paragraph D below.
- B. Whenever a list is provided, it shall be accompanied by the following statement: CGJA's membership list is a proprietary asset and shall not be provided or otherwise distributed to any person or entity other than a member, director, or officer. The list shall not be used for any purposes other than those reasonably related to the

interest of a member and which are consistent with CGJA-related business and the best corporate interests of CGJA.

- C. Except as provided in paragraphs G and H, below, any release by CGJA of a membership list shall be limited to an alphabetized list of members' names, county, USPS mailing addresses, and whether the member is entitled to vote for the election of directors.
- D. The secretary is charged with compliance with the provisions of California Corporations Code Section 6330 in providing a copy of CGJA's membership list. Except as provided in paragraphs G and H below, the list shall be released only upon a determination by the board or the Executive Committee that it is to be used for a purpose reasonably related to such member's interests as a member or will be used by the chapter to recruit members.
- E. In the circumstance where CGJA, through the board or the Executive Committee, determines that the purpose for which a member requested the membership list is not reasonably related to such member's interests as a member, the secretary shall, on behalf of CGJA, advise such member within ten business days to submit additional justification. The secretary may also, pursuant to California Corporations Code Section 6330 and on behalf of CGJA, and in consultation with the president and/or Executive Committee, thereafter provide a reasonable alternative method for achieving the proper purpose identified in the request. The determination must be in writing with copies to the president and for the corporate records. It is incumbent upon the president to review the action of the secretary and, if corrective action is considered necessary, to do so in a timely manner.
- F. The board at its next regularly scheduled meeting shall be advised of any request for a membership list received from any member and the action(s) taken.
- G. The secretary may at any time provide CGJA's membership list to any board member, officer, or committee chair, upon written or verbal request of such director, officer, or committee chair. That list may include each member's email address and telephone number in addition to the information listed in paragraph C, above.
- H. A membership list limited to the members within specific counties may be provided by the secretary or the chair of the Member and Chapter Relations Committee to a CGJA chapter upon a written or verbal request of any chapter member who is a CGJA member in good standing for the purpose of enabling the chapter to recruit chapter members. Such lists may include address, telephone number, email address, and membership class.
- I. It is the policy of CGJA, in compliance with the California Corporations Code, that a request for a membership list by a member in good standing shall receive consideration and shall be responded to within ten business days of receipt.

## **2.50 Chapters**

Voting members may organize into chapters representing one or more counties. Rules for the formation and maintenance of chapters are set out in Section 12.50.

### 3.00 CGJA Directors and Officers

#### 3.10 Director Responsibilities

The following are in addition to those duties outlined in Article 6 of the CGJA Bylaws:

- A. Directors shall attend all board meetings except when excused by the president. Directors shall participate in teleconference or face-to-face board meetings at their own expense. Directors may be removed from the board if they fail to participate in two consecutive board meetings or a total of four meetings in any twelve-month period, except when excused by the president for good cause.
- B. Directors shall read and review all agenda packet items in preparation for each board meeting.
- C. Directors shall attend the CGJA Annual Conference and Annual Meeting unless excused by the president, and shall attend at their own expense.

- G. Directors shall assume fiduciary responsibility for the association as required by law.

#### 3.30 Officers

The officers of the association are the president, vice president, secretary, and treasurer. All officers must be directors currently serving on the Board of Directors. Directors may not serve in more than one officer position concurrently. The officers and

their duties are described in Article 7 of the CGJA Bylaws.

## 4.00 Board of Directors’ Meetings

### 4.10 Meeting Rules

Article 8 of the CGJA Bylaws sets out the general rules for meetings of the board of directors. This chapter contains the specific rules for the conduct of board meetings.

### 4.20 Board Meeting Agenda Item Transmittals

- A. The following standard action agenda item transmittal format shall be used in conjunction with the board meeting agendas (a template of the transmittal form can be obtained from the secretary):

**CGJA Board of Directors Meeting – Action Agenda Item Transmittal**

Agenda Item Number:	E- (president or secretary to assign number)
Date:	Date of board meeting
To:	CGJA Board of Directors
From:	Individual or committee sponsoring action
Subject Summary:	Brief statement of issue/problem being addressed
Recommended Action:	Specific action proponent is requesting; this is to be stated in the same form as one would use in making a motion
Support Documentation	Background information necessary for board members to make an informed decision regarding the action the board is being asked to take; detailed analysis to include references or attachments
Agenda Item Number:	E- (president or secretary to assign number)

- B. The sponsor must fill out the “Recommended Action” section to say exactly and concisely what is proposed. The recommendation must be stated in the form of a motion.
- C. Each agenda item transmittal must state a “Subject Summary” and a “Recommended Action” (in the form of a motion for approval), and include support documentation to inform the directors in advance of the rationale for approving the proposed action. Action items requesting authorization of funds outside the approved budget or impacting the delegated responsibilities of another committee should be reviewed with the treasurer and/or committee chair(s) prior to submittal to the president and the secretary.
- D. Transmittals must be in writing, should be typed, and shall be sent to the president and the secretary via email as Rich Text Format attachments, via fax, or via U.S. mail. Transmittals must be submitted at least nine days in advance of the meeting where they are to be addressed.

- E. Members shall contact a director to request sponsorship of an action item for inclusion on the agenda.

#### **4.30 Agendas**

- A. Board meeting agendas shall be prepared in advance by the president with the assistance of the secretary.
- B. Meeting agendas shall be posted on the CGJA website at least seven days prior to the meeting, and at that same time the agendas shall be emailed to all board members together with copies of the agenda item transmittals and attachments.
- C. Non-director standing committee chairs shall be sent the agenda and agenda packet, invited to attend the meeting, and permitted to discuss any item pertaining to their committee.
- D. It is preferable that no board action should be taken on “off agenda items” (items not submitted in time for inclusion in the emailed agenda packet). However, off-agenda items may be considered as provided in subparagraph E.2 of Section 4.60.
- E. Any pending board action item shall be continued and listed on the agenda until that item is either tabled or acted upon and duly recorded in the minutes.

#### **4.40 Meeting Rules of Order**

- A. Board of directors’ meetings may be conducted at a designated location or via audio or video conferencing as established by the meeting notice.
- B. The president, working with the secretary, is responsible for preparing the meeting notice, agenda, and agenda packet, and shall preside as the chair at each meeting of the board of directors.
- C. The CGJA Bylaws and this chapter will take precedence in all board meetings. Robert’s Rules of Order shall be the parliamentary authority in cases not covered by the bylaws and this chapter. The chair’s interpretation of the rules of order will apply subject to a majority vote of directors present for a contrary interpretation as introduced by any director’s motion with a second and debate.
- D. All directors shall read the agenda packet in advance of the meeting and shall be presumed to understand proposed actions to be considered at the meeting. Directors should seek any necessary clarification of agenda items prior to the meeting, as required by subparagraph E.4 of Section 4.60. Directors with differing views or considerations should advance them by email to all other directors prior to the meeting to expedite debate on proposed actions.
- E. Each director should retain agenda packets for reference as future agendas may refer to previous agenda information.

#### **4.50 Quorum; Attendance; Recording; Minutes**

- A. The secretary shall call the roll for the chair’s determination that a quorum exists for a meeting to proceed. A quorum is a majority of the directors holding office.
- B. Directors calling in late to a meeting held electronically should announce their presence when the first break in conversation occurs. Upon hearing the entrance of

the director, the chair or secretary may interrupt the meeting discussion to obtain the name of the director joining the meeting late.

- C. Non-director members are entitled to attend board of directors' meetings to listen to and witness the meeting, and to address the board under "Member Comments," but may not interject or join into board discussion or debate with questions or comments without the board's consent. (See paragraph C of Section 4.30, above, regarding the involvement of standing committee chairs)
- D. The secretary shall record all meetings to assist in providing meeting minutes, and will announce at the beginning of each meeting that it is being recorded. Meeting recordings will be restricted to the sole use of the secretary and shall be destroyed or erased after the minutes have been approved by the board of directors. No other person(s) shall record a board meeting without the consent of all who are present.
- E. Draft minutes shall be emailed to the directors as soon as possible after each meeting. In the absence of the secretary, this rule will apply to the individual assigned to take the minutes. Approved minutes shall be posted on CGJA's website.

#### **4.60 Order of Business**

The order of business for regular board of directors' business meetings shall be as follows (subject to modification by the chair):

- A. CHAIR'S CALL TO ORDER and ROLL CALL OR VERIFICATION OF DIRECTORS PRESENT (Agenda Item A)
- B. APPROVAL OF THE MEETING AGENDA AND MEMBER COMMENTS (Agenda Item B; target time: 5 minutes)
  - 1. A motion and second to approve the meeting agenda will open each meeting. Upon the request of any director, any item on the consent agenda will be moved to the action agenda per paragraph C, below. Requests must be made prior to the vote approving the meeting agenda.
  - 2. Except as the board shall otherwise approve, non-director member comments shall not exceed a total of 10 minutes. Any non-director member who wishes to address the board on any matter or speak to an agenda item, must contact the president or secretary no fewer than three days prior to the meeting to reserve a time slot (two to three-minute limit) and to request and receive the agenda and agenda packet.
- C. CONSENT AGENDA (Agenda Item C). The consent agenda will be approved by a motion and second without debate. Corrections to any consent item will be incorporated into the motion to approve the consent agenda. If any director states an objection, the item will be taken up under the action agenda after the scheduled action agenda items.
- D. OFFICER AND COMMITTEE CHAIR REPORTS (Agenda Item D; target time: 20 minutes)
  - 1. The board's agenda packet will include officer reports and all committee reports and meeting minutes. All officers and committee chairs, or their representative, should attend the meeting to update the board on significant items or matters supplemental to committee reports or minutes.

2. Directors may seek clarification or express their views on any reports or minutes in an agenda packet up to 24 hours prior to the meeting via email or speak to such matters during this section of the agenda.
- E. ACTION AGENDA (Agenda Item E; target time: 40 minutes or less as items warrant)
1. Any director, officer, committee chair, or authorized designee of a committee, may submit an action item for consideration by the board of directors. All action items submitted to the board must be in writing on an approved agenda item transmittal form. Items submitted for board approval require a vote, whereas review and acknowledgment items are for discussion or informational purposes and will not require a vote.
  2. Action agenda item transmittals should be delivered to the president and the secretary at least nine calendar days prior to a scheduled meeting to be placed on the meeting agenda, which must be distributed seven days before the meeting. However, the board may approve the addition of an item submitted fewer than seven days prior to the meeting upon a finding that action on that item must be taken before the next regular meeting. Except for emergencies, as determined by a 2/3 vote of the directors present at the meeting, agenda item transmittals may not be submitted during a board meeting but may be approved for placement upon the agenda for the subsequent meeting.
  3. All action agenda items will be considered motions and will require a second before debate.
  4. Directors seeking advance clarifications, wishing to express their views, or desiring to amend a proposed action item should contact the proponent upon receipt of the agenda packet but no later than 24 hours prior to a scheduled meeting to minimize confusion and time during debate of actions presented for board approval. Directors should exercise discretion in using “reply all” when answering emails to avoid unnecessary transmittals.
- F. PENDING MATTERS (Agenda Item F). Any pending board action, tabled action to be reconsidered, or other pending matter shall be discussed here, including any item previously discussed by the board which the president believes needs further board discussion or a follow-up report.
- G. DIRECTOR COMMENTS (Agenda Item G; target time: 10 minutes but may be preempted by action items). Each director should attempt to limit opening comments to one minute to allow all directors to comment. Subject to agenda time remaining after all directors have presented their opening comments, general discussion of topics of common interest may continue.
- H. INFORMATION ITEMS (Agenda Item H). Attachments to the agenda for director reference and association archives may include:
1. Announcements and general information pertaining to CGJA activities or matters of interest.

2. Correspondence – incoming and outgoing by officers, chairs, and approved representatives of CGJA. See Communications Policy and Matrix, Chapter 21.00, regarding correspondence that must be included in the agenda packet.
  3. Future board actions – advance review of actions or matters to be submitted to the board.
  4. Informational Items – items such as financial reports, the calendar of critical dates, committee and board rosters, and similar documents.
- I. MEETING ADJOURNMENT (Agenda Item I)

#### **4.70 Debate Rules**

- A. Except for clarifications by the maker of a motion, directors should allow all remaining directors to speak first before speaking a second time on a motion. Directors should attempt to limit their first and second comments on a motion to one minute to allow time for other directors to speak. Any director’s motion, with a second, to limit or extend debate will be taken up without discussion but requires a 2/3 vote of the directors present to pass.
- B. Any director may “Call for the Question.”
- C. Any director may make a “Motion to Table the Question” with a second and no debate. Such action will prevail with a majority vote.
- D. Any director may make a motion to refer an action to a committee with a second and debate.
- E. In the interest of addressing all items on the meeting agenda, the chair may rule to postpone a question involving extended debate until the end of the Action Agenda. The chair may also invite a “Motion to Table the Question” or to “Refer the Question to Committee.”
- F. Tabled motions from the prior meeting will be taken up at Agenda Item F by any director’s motion with a second, debate, and a majority vote. Tabled motions not taken up from the prior meeting will not be considered further without a new motion.

#### **4.80 Voting Rules**

- A. Except as provided in Article 14, Section 2, of the CGJA Bylaws or in this policy manual at subparagraph E.2 of Section 4.60, paragraph A of Section 4.70, or paragraph C of Section 11.50, a simple majority of directors present at the time a quorum is established shall be sufficient to take action. Voice votes will typically determine a vote. Proxy votes shall not be allowed.
- B. The chair or any director may call for a roll call vote on an action. The secretary will call the last name of each director in rotating alphabetical order with the chair’s name last. Directors present may vote yes, no, or abstain. A director may pass until the first roll call is complete, and then be called upon again. The vice president shall also record roll call votes to verify the count of the secretary.

## **5.00 Annual Membership Meeting; Annual Conference**

### **5.10 Annual Membership Meeting**

- A. The board of directors shall arrange for an annual meeting of the association membership as required by Article 8, Section 3 of the CGJA Bylaws. This meeting may be held in connection with a CGJA Annual Conference. The annual conference and/or the annual membership meeting will be held in the fall. To the extent possible, the dates of the conference and the annual membership meeting shall be established at least one year prior to the event.
- B. Presentations that must be included on the agenda for the annual membership meeting are:
  - 1. President's report from the board: The "State of the Association"
  - 2. Report on the results of the election of directors (and the election of officers in even-numbered years)
  - 3. Member comments

In addition, the following presentations may be included:

- 4. Administration of the oath of office to entire Board of Directors
- 5. Financial reports
- 6. Award presentations
- 7. Legislative year in review
- 8. Committee reports
- 9. Chapter reports

### **5.20 Annual Conference**

- C. **Recognition.** Documents that are the products of groups or individuals outside CGJA can be identified as information on matters of interest to CGJA without necessarily having CGJA's endorsement. When such documents are identified, the lack of endorsement should be made clear and the board shall be advised of the reference to the document as a matter of information.
- D. **Costs.** Publication and distribution expenses shall not exceed the revenue expected from such publications except as provided in this policy without prior board authorization. Projected revenues and expenses must provide for free publication distribution as described in F.7 and F.8 below.
- E. **Copyright.** All publications produced by CGJA shall be protected by copyright©.
- F. **Processes:**
  - 1. Committees that develop publications (other than the Training Committee) shall submit those publications to the board for approval prior to their distribution in whatever format.
  - 2. The board may develop templates for standardizing publication formats. Documents posted on the website for downloading must be in Adobe Acrobat (in .pdf or some other unalterable format) to prevent tampering.
  - 3. Each committee must establish enough stock at the first printing of the document to achieve a cost that reflects cost recovery through revenue. Each committee must maintain a running inventory of the publication and should restock when low cost opportunities arise.
  - 4. It is acceptable to have the same document available for purchase as well as being available for free downloading from the CGJA website.
  - 5. Publications will be offered for sale at training seminars and the annual conference. The responsible committee will make the necessary arrangements in coordination with the Training and Annual Conference committees.
  - 6. The retail price for each publication shall be determined based on the cost of its current reproduction in order to cover postage, handling, and obsolescence.
  - 7. Each committee may provide free copies of publications in response to inquiries by the media, legislative staff, the governor's office, the Judicial Council, or others in immediate, legitimate need of the information. The committee should request copies of

the news articles, reports, legislation, etc. for which the information is being gathered. The committee may also provide free copies of all publications to the University of California Institute of Governmental Studies archive for preservation in perpetuity.

8. A copy of any publication shall be provided at no cost to any director who requires the document in pursuit of his or her duties.
9. Any committee that wishes to provide free copies of a publication to support an activity shall be charged the cost of the document.
10. All monies received from the sales of publications will be forwarded to the treasurer. The treasurer will pay all bills for the costs of publication and distribution.
11. The following copyright statement shall appear on all new CGJA publications and shall be added to existing publications as reprints occur, with the exception of training documents:

"Copyright or © (year) by the California Grand Jurors' Association. Permission is granted to copy and distribute this document for non-commercial use as long as attribution to the association is given."
12. Exceptions to these procedures must be approved by the board of directors.

## 20.00 Refund Policy

- A. The California Grand Jurors' Association (CGJA) will consider and process refund requests on a case-by-case basis for the types of transactions listed below.
- B. Merchandise:
1. A full refund, excluding any shipping costs, will be issued, or at the customer's request, replacement of the product will be offered for non-delivery of merchandise or defective merchandise, or if the product received is substantially not as described. The person requesting a refund must submit a claim for any of these reasons to CGJA within 14 days after CGJA's shipment date.
  2. The Public Relations Committee Chair will approve or disallow merchandise refund and replacement requests and the treasurer will disburse a check to the customer within 14 days of approval of the request for a refund.
- C. Donations:
- A restricted donation may be refunded, upon the treasurer's approval, in the event the donor wishes to retract the gift based on a good faith determination that the donor's restrictions are not being met by CGJA. The refund must be requested in writing within 360 days of the date of the donation, and must allow CGJA a minimum of 30 days to correct any misuse of the donation. Unrestricted donations shall not be refunded.
- D. Training seminars and workshops:
1. Participant cancellations – refunds are allowed for cancellations received up to five business days before the event. Cancellations received after this period will not be eligible for a refund.
  2. Transfers – registrations are transferable from one participant to another within an organization upon approval of the Training Committee Chair. The TC chair may also approve the transfer of a registration payment from one event to another. The registrant should contact [cgjatraining@cgja.org](mailto:cgjatraining@cgja.org) to cancel, transfer, or inquire about refunds.
  3. No Shows – CGJA will not issue a refund to a registrant who does not attend a training event and has not timely cancelled in advance.
  4. Event Cancellations – In the event the Training Committee cancels or reschedules a training event, the registrant has the option of transferring the registration to another event of the same subject, or receiving a refund. The Training Committee will contact the registrant to discuss options.
  5. Post-Event Refund Requests – CGJA will not issue refunds after the event has occurred.
- E. Annual Conferences:
1. Participant Cancellations – CGJA will issue a full refund for cancellations before the hotel/meal (food) contractual deadline (which is usually about a week before the conference). CGJA will issue a partial refund of the registration fee (excluding the meal

order portion), if it is received after the hotel/meal deadline, and five business days before the event.

2. No shows – no refund will be issued to a registrant who does not attend an event and has not cancelled in advance.
3. Post-event refund requests – no refunds will be issued after the event has occurred.

## **22.00 Policy on Responses to Inquiries**

- A. Inquiries to directors, officers, or others. Any time someone contacts a CGJA officer, director, committee chair, or committee member seeking information regarding grand jury practices, grand jury law, or other general information about the California grand jury system, the person receiving the inquiry shall immediately respond to the inquirer that their inquiry is being forwarded to the appropriate party for response, and shall then forward the inquiry to either the LLRC Chair, the TC Chair, or the PRC Chair (or all three if appropriate). If the inquiry has to do with CGJA as an organization, the person receiving the inquiry shall either respond or forward the inquiry to the appropriate committee chair or officer. All such communications shall be copied to the CGJA Directors if substantive in nature.
- B. Inquiries to CGJA Trainers. A CGJA Trainer may respond to inquiries from grand jurors if the response is something generally covered within that trainer's expertise and can be answered by pointing to supporting information in the current CGJA Training Manual, CGJA Foreperson and Pro Tem Workshop Manual, or CGJA Report Writing Workshop Manual. All such responses must be copied to both the TC Chair and the LLRC Chair in case they wish to respond further.
- If the inquiry cannot easily be answered by reference to the training materials, the Trainer shall forward the inquiry to both the TC Chair and the LLRC Chair, who will coordinate the response.
